

\$5,000 BUYING INTO BALTIMORE INCENTIVE

Terms and Conditions

The \$5,000 Buying Into Baltimore incentive is a five-year forgivable loan that appears as a second lien on a property. The lien balance will reduce by 20% per year for five years until forgiven (or repaid). Properties sold or rented before the forgiveness date (year five) will be charged the remaining balance of the lien. Upon refinancing, the balance of the lien can be subordinated. The \$5,000 Buying Into Baltimore incentive is awarded by lottery 12 business days after Live Baltimore's Trolley Tour event. Twenty homebuyers will be selected to receive funds from a pool of eligible applicants following each Trolley Tour event.

RULES:

- Incentive applicants must follow application guidelines found at LiveBaltimore.com/lottery.
- The \$5,000 incentive must be used at settlement and cannot be distributed after you close on your home. Settlement must be within 90 days of being selected in the lottery drawing.
- Incentive funds may be combined with other programs (to the extent allowed by other programs).
- Only one incentive application will be accepted per property address.
