FREQUENTLY ASK QUESTIONS

What if I don't have the documents you need?

You can contact us to discuss your specific situation. Note that you will likely need many of the documents we've suggested to qualify for a mortgage loan. You may have difficulty getting a mortgage loan if you have no proof of address and no financial history.

What if I don't have access to a printer or scanner, or for some other reason I cannot upload my documents to you?

You can take photographs of the document and send them. The photographs must be clear and include the full page and every page of the document. We can accept documents in person or via mail, but please contact us first to discuss this.

What if there is more information on a document that I'm submitting than you are asking for? For example, if I submit a bank statement showing my rental payments will you see all of the other transactions on the statement?

We are not looking at any other transactions, and they will not impact your eligibility for Buy Back the Block. You may use a marker to hide the view of the other transactions or sensitive information.

What if I'm already under contract?

Congratulations! Live Baltimore will still need to confirm your eligibility for the program. Please follow the designated steps outlined on the other page. You can reach out to baltimore@livebaltimore.com to ensure we're aware of your timeline. Note that Live Baltimore may not be able to process your application if your settlement date is less than 10 business days from your Eligibility Quiz submission date.

What is the deadline to apply for Buy Back the Block?

Grant funds are provided on a first-come, first-served basis until December 2025 or grant funds run out—whichever comes first. Otherwise, there is no set deadline for applications.
